Subject: Air Quality Comments on Notice of Intention to Commence Large Mining Operations, Geneva Rock Products, Inc, Sage Canyon Mass Excavation, M/049/0071, Utah County, Utah

Dear Mr. Edwards:

On November 2, 2009, the Division received comments from the Division of Air Quality through the Public Lands Policy Coordination Office and the Resource Development Coordinating Committee. A copy of the letter is enclosed.

Please ensure you have appropriate approvals from the Division of Air Quality and any other appropriate agency. While the Division has given final approval to your Notice of Intention to Commence Large Mining Operations, approval of a notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Please call me at 801-538-5261 if you have any questions.

Sincerely,

Paul B. Baker  
Minerals Program Manager
